

Communication Disabilities Access Canada

Communication Assistance Card for Police, Legal or Justice Situation

I have a disability that affects my communication. I hear and understand what you say.

I communicate by:

-
-
-

I make my own decisions, so please speak directly to me.

If I need assistance communicating I authorize the following people to help:

Name	Relationship to you
•	
•	
•	

If I do not have someone who can assist me or if we need an independent communication professional to assist, please get me a Communication Intermediary. A Communication Intermediary is a Speech-Language Pathologist with training from CDAC to work in a police, legal or justice setting.

To find a Communication Intermediary, please go to:
